Hello Kinder Friends,

I thank you for downloading my freebies that go well with my I Can Be a Scientist Investigating Life Cycles Unit. I had a lot of fun creating this for my classroom and yours. I am excited to be able to share this with you! Science can be so much fun and especially this time of year! ***Please note that this download is for a single classroom download and cannot be duplicated or shared as it is protected by copyright.*** No part of this unit may be shared by any means without written permission. I appreciate your understanding. Graphics by [Zip A Dee Doo Dah](#) and [Scrappin Doodles](#).

Please consider following me on Facebook where I will announce sales and freebies first.
